

### Directions to the General Clinical Research Center

The General Clinical Research Center (GCRC) is located in the Elmore Clinical Research Wing of Noll Laboratory. The GCRC is visible along Atherton Street, Business Route 322, (between Rec Hall and the IST Building), however, parking is accessed from Burrowes Road on the Penn State Campus.

#### To Access Burrowes Road--

**From Atherton Street:** Turn onto Curtin Road, between the Nittany Lion Inn and Rec Hall. At the stop sign, turn right onto **Burrowes Road** in front of Rec Hall. Just before the stop sign at Pollock Road there is a directional sign on your right indicating the entrance to **Noll Laboratory**. Turn **RIGHT** onto the access road. Parking is located either to your right at the east end of the building or to the left of the building near the **Elmore Clinical Research Wing** building sign.

**From College Avenue:** Turn right onto **Burrowes Road** on the Penn State Campus. Just after the intersection of Pollock Road and the IST Building walkway there will be a directional sign on your left indicating the entrance to **Noll Laboratory**. Turn **LEFT** onto the access road. Parking is located either to your right at the east end of Noll Laboratory or to the left of the building near the **Elmore Clinical Research Wing** building sign.

Signs designating parking spaces for research subjects are secured to the building in the Red H parking areas. Please park in the spaces specifically signed **Reserved Parking H&HD Permit Required**. Parking Permits are required in order to use these spaces legally and can be obtained at the reception desk at the entrance to the GCRC. Please use your 4-way flashers while obtaining the permit.

The entrance to the GCRC is located at the west end of the building facing Atherton Street and can be accessed from the parking lot via the sidewalk located to the left of the **Elmore Clinical Research Center** building sign.
